DEBIT CARD USE:

Did you know that if you make phone/online purchases with a Debit Card, you can not place a stop payment on the transaction? Once you've given your debit card number and CVV/CVC code (3 digit code on back of card), you have given your authorization for the card to be used. For fraud prevention/resolution, it is better to use a credit card to make phone/online purchases.

INACTIVE ACCOUNTS

Share 'A' savings accounts that have had *no deposit, withdrawal or transfer activity for 12 months* will be considered Inactive Accounts. A \$6.00 quarterly inactive fee will be accessed on these accounts. In order to avoid a quarterly fee, you must make a deposit, withdrawal or transfer on the account once every 12 months (on a rolling calendar, not calendar year). The transaction can be as little as \$1.00.

Please remember to update your personal information if you move or change phone numbers. Doing so will ensure you receive important information about the credit union and your account.
